

## 【そもそもインキュベーションって？】

インキュベーションとは、孵化器、保育器 (Incubator) から派生した創業支援活動の意味。資金や知識が不足ちな起業家を低賃料スペースやソフト支援サービスで成長を促進させるBI/IMの関係へとつながっていく。英単語を覚えるのにもいい機会である。

## 【 What is incubation? 】

Incubation means support activities for business establishment, derived from the use of artificial incubators for hatching chicks and for new-born babies. Growth and development of creative entrepreneurs can be boosted through low cost rental offices and software support services, covering those who are limited in financial resources and knowledge. The BI and IM relationship will be established through the following steps. This is a good opportunity to learn words in English, too.
