---

A series of ten blank musical staves, each consisting of five horizontal lines, arranged vertically. A single treble clef is positioned at the beginning of the sixth staff from the top.

## 【メビック扇町の思い】

孵化器、保育器 (Incubator) からの早い自立と卒業に意義を感じて欲しいというのが親心である。そのためにも定期面談などを行いモチベーションを高めながら多方面から支援。しかし、自立してもたまには顔を見せに来て欲しいというも親心である。

## 【 The inner feelings of Mebic OGIMACHI 】

Mebic OGIMACHI acts as a parent, wanting creative entrepreneurs to feel the significance of early independence so they are able to leave the incubator. To do so, Mebic supports all business aspects, enhancing the motivation of entrepreneurs through regular communication meetings. We also want them to visit us sometime, even after some have become independent and left the community.
