

【夜のメビック扇町はどんな様子？】

入所者は24時間利用可能。急な変更やムリな訂正、プレゼン前でも安心して徹夜で対応しよう。  
ただしオートロックのため、深夜、カードキーを持たず外出すると翌朝、管理人さんが来るまで入館できない。まじですか。

【 What is Mebic OGIMACHI like at night? 】

Tenants can use the facilities 24 hours a day. Immediate work or preparation for presentations is no problem, as you are able to work all night.  
All offices are locked by an auto lock system. If you go out late at night without taking your card key, you can't get back into the office until the gurd comes to work next morning. So watch out!
