Mebic Memo

【 Do you know KONOKURI? 】

Creators in this community are shortened to KONOKURI. Although about 20,000 creators is said to be in existence
in the community, it is not possible for all of them to have an opportunity to meet and know each other.
In order to set up some way of helping and overcoming this problem, Mebic OGIMACHI holds regular round-table talks or
exchange parties. If you are one of these people, don' t miss the opportunity to meet other creators just like you.
