◎仲間同士の意思確認→起業しようと仲間4人で会社を辞めるはずが…実際はひとりで辞めた。

◎嫁さんの誕生日→誕生日が事務所入所日と同日で、自分の事務所がもてたことにかかれて仕事に夢中。1ヵ月会話なし。

【 Things that tend to be forgotten in preparation for a business start up (Part-2) 】

These are typical examples that can become invisible to you when you start an entrepreneurial business.

◎Did not make sure of ambition of other colleagues

Although 4 people said they would leave the company together to start an independent business, actually I was the only one to leave, the others stayed.

◎I forgot my wife's birthday
